**SPECIFICATIONS FOR BID FOR NURSERY SUPPLIES  
FOR THE COUNTY OF MERCER AND THE MERCER COUNTY COOPERATIVE  
CONTRACT PURCHASING SYSTEM FOR A PERIOD OF TWO YEARS**

**INTENT**

The County of Mercer requests bids for nursery products for countywide use for a period of two years. The County reserves the right to award multiple contracts based upon the low unit cost for each line item. Respondents may bid on one or all line items. Contracts shall be awarded for a period of two years. The awarded contractors shall be located within a 30 minute commute from Trenton, New Jersey for the convenience of Mercer County agencies and the Co-op Members for walk in service. All nursery stock must be available for inspection and selection by the county and co-op members. Bidders shall provide their unit cost for each line item and a discount for those items that are not referenced on the following proposal pages. There shall be a one year warranty on all nursery products. The Contractor shall replace any nursery product that is dead, unsightly or unhealthy at no additional cost within 48 hours from notification by the County. The County has budgeted \$220,000.00 for a period of two years. Deadline for questions must be submitted by November 13<sup>th</sup>, 2019 to smceachern@mercercounty.org.

**DELIVERY**

Delivery (if required) shall be FOB Destination.

**OPEN END AWARD**

Estimated Quantities (Open-End Contracts): The County has attempted to identify the item(s) and the estimated amounts of each item bid to cover its requirements; however, past experience shows that the amount ordered may be different than that submitted for bidding. The right is reserved to decrease or increase the quantities specified in the specifications pursuant to N.J.A.C. 5:30-11.2 and 11.10. NO MINIMUM PURCHASE IS IMPLIED OR GUARANTEED.

**SPECIFICATIONS**

All plant material shall comply with sizing and grading standards of the latest edition of American Standard for Nursery Stock by the American Association of Nurserymen, Inc. All nursery supplies shall be inspected by the County Designee. Container Grown Plants shall be well established in the container size indicated and conforming to American Association of Nurserymen Standards. During transportation all plant materials shall be protected from desiccation and or damage.

**PROTECTION**

The balls of stored plants which cannot be planted immediately on delivery shall be covered with moist soil (2" depth) or mulch (3") depth. All plants shall be watered and maintained as necessary to ensure overall health and vigor until planted. The plants required under this award shall conform to Standardized Plant Names as adopted by the latest edition of the American Joint committee of Horticulture/Nomenclature.

**WARRANTY AND REPLACEMENT**

There shall be a one year warranty on all nursery products. The Contractor shall replace any nursery product that is dead, unsightly or unhealthy at no additional cost within 48 hours from notification by the county.

**ENVIRONMENTALLY SAFE MATERIALS**

The Contractor shall only use those pesticides, herbicides, fertilizers and chemicals which are approved for use by the NJDEP, USDA and/or local ordinance. The awarded contractor(s) shall make available to the County a sample of any and all materials used. Material Safety Data Sheets shall be provided if applicable during the contract period.

**AMERICAN STANDARD FOR NURSERY STOCK**

Plant material must be available for pick up by County personnel or delivered on request within three (3) calendar days from receipt of a purchase order. The county reserves the right to inspect plant material before delivery or acceptance. Plant material shall be healthy, free from disease and insect pests, well established, not overgrown of size. All Plant material shall comply with sizing and grading standards of the latest edition of American Standard for Nursery Stock by the American Association of Nurserymen, Inc.
