| 5. Site Plan MC #17-206 | Stony Brook Regional Sewerage Authority (Pennington WWTP Upgrade & Expansion Project) | Hopewell Township 363 Pennington - Rocky Hill Road (CR 624) Block 46, Lot 19.01 |
|----------------------------|--|--|

Upgrade of the Pennington WWTP to address the issues of plant expansion. The plant was placed into operation in 1984 with a design capacity of 0.3 (mgd), in 2013 the MCWMP indicated a build-out flow of 0.445 (mgd). The facility planning study for the plant evaluated expansion of the plant for the build-out flow of 0.445 (mgd) in addition to evaluating aging infrastructure issues and potential operational enhancements. This upgrade contains a number of improvements to address these needs.

The Land Development Committee reserves the right to remove an application from this agenda if the applicant fails to provide the missing items at or before this meeting that are necessary to make the subject application complete.
