PRINCETON AT A GLANCE

GEOGRAPHY AND HISTORY

Princeton is 18.1 square miles and is comprised of the former Princeton Borough and Princeton Township which consolidated on January 1, 2013. In 1697, early settlers Richard and Susannah Stockton acquired 5,500 acres from William Penn. Nassau Street, Princeton's Main Street, was once an Indian trail which later became the King's Highway in the colonial days. After the American Revolution, Nassau Hall was temporarily used as the young nation's capitol. Today, downtown Princeton boasts numerous retail shops surrounded by historic residential neighborhoods and is one of the most affluent communities in New Jersey.

Additional historic data about the former Princeton Borough and Township are listed below. Since Princeton was consolidated in 2013, no new data is available to date.
