PUBLIC QUESTION NO. 2
CONSTITUTIONAL AMENDMENT TO CHANGE THE LEGISLATIVE REDISTRICTING SCHEDULE IF CENSUS DATA IS DELAYED

Do you approve amending the Constitution to change the legislative redistricting schedule if Census Data is delayed? The current COVID-19 pandemic has delayed Census Data collection. If Census Data does not arrive in time for the creation of new legislative districts, the state constitution requires an apportionment commission to create new legislative districts. If the Census Data is delayed, the new legislative districts may not be in effect in the year ending in one. This change to the redistricting schedule would allow legislatures to be elected that have four-year terms in office. The new districts will be used starting with the next scheduled general election for the State legislature.
