ABOUT US

A&E Construction's commercial work includes a versatile range of projects from small office renovations and pool clubs to major business headquarters. A&E's commercial renovations have transformed outdated existing complexes into modern, open spaces. We have performed total renovations on a variety of local Princeton, Pennington, and Hopewell buildings and succeeded in fully utilizing the space, while meeting all our deadlines. With a passion for meeting our client's needs, A&E Construction is a hardworking, dedicated group that cares first and foremost about the quality and integrity of our work.
