

9 West Stimpson Ave
Warehouse
Linden, NJ 07036

Capability Statement

Company Information

Company: 700 Nano LLC
EIN: 83-2810568
SAM UEI: CD7ADR6WKK23
Cage Code: 8QRU8
NAICS Codes:
238210
238990

State of NJ SBE Certification # A0113-07
State of NJ MBE Certification # A0113-06
NY SBS MBE Certification# MWCERT2022-675
Labor Affiliation: IBEW Local Union 164
IBEW Local Union 3

Phone Number: (732)-718-4875
Website: the700nano.com
Duns #: 080888422
Electrical License# 34TC00283800

Core competencies

- Data/telecommunication category and fiber cable installation and termination
- Structured cable pathway installation (Cable trays including raised floor, hooks, Conduit)
- Network/IT equipment installation (i.e network racks, enclosures, cabinets, installation of switches, routers, UPS, etc)
- Outside plant (OSP)/ Inside plant ISP) Fiber optic/copper design and splicing
- Aerial cabling placement, pole mounted equipment installation and activation
- Underground conduit placement
- Fiber optic cable certification, OTDR testing, and circuit activation, and validation
- Copper network cabling Certification

Differentiators

Our firms experience working with commercial business and internet providers give us an edge to provide well designed networks with low latency and a high fault tolerance. Our time collaborating with ICT professionals and telecommunication engineers allows us to perfectly mesh outside plant with inside plant, identify potential design issues prior to construction commencement , and propose solutions for low cost of installation and maintenance.
