

Sedna Consulting Group Inc., founded in 2004 and headquartered in Edison, NJ, specializes in Staff Augmentation and IT Services. A minority, woman-owned small business, Sedna brings over 150 years of collective team experience and has successfully supported public sector projects for more than 20 years. Sedna's expertise spans services to Local Governments, state departments, including Health and Human Services, Child and Youth Welfare, WIC, Mental Health, Labor and Workforce development, and Transportation.

## Differentiators

1. Extensive experience designing, constructing, and implementing advanced solutions for Health & Human Services, Medicare, Medicaid, and SNAP projects.
2. Specialized network of IT professionals with diverse DoD security clearance levels.
3. Expertise in contract, contract-to-hire, direct hire, and permanent talent acquisition.
4. Proven service-delivery excellence and robust partnerships with state, local, and federal vendors.
5. Deep understanding of local government dynamics, adept at navigating complex procurement procedures.

Comprehensive experience with large government projects with budgets up to \$300 million.
