

CELLEQORE

EMPOWER DISCOVERY

Company Information

Unique Entity ID JD7CNP68S5N7
CAGE/NCAGE 0BQZO
D-U-N-S # 06-982-1447
Certifications SBE, MBE

Capability Statement

Contract Research
Preclinical & Clinical Studies
Medical & Diagnostics Lab Testing

Company Overview

Founded in 2023, Celleqore uses transformative strategies and advanced technologies to monitor disease, evaluate the efficacy of advanced therapeutics in rare diseases, & develop high impact innovations. We customize aspects of each specialty lab service according to your needs, product specifications, and indication of use. Whether you are screening targets or in clinical trials, we are here to support you throughout each phase of the process.
