Random Drug Screening

Pursuant to New Jersey Attorney General Directives 2022-13, 2018-2 and 2020-8, the Mercer County Sheriff's Office completed the following random drug screening in 2025:

On March 24, 2025, fifteen sworn officers were randomly selected for drug screening from a total of 146 sworn.

On November 20, 2025, fourteen sworn officers were randomly selected for drug screening from a total of 144.

All officers randomly tested in 2025 yielded negative results from the New Jersey State Toxicology Laboratory.
